## **REVIEW OF BEHAVIOR PRINCIPLES IN EVERYDAY LIFE**

- This book is THE one to read!!! If you are searching for that next step or wanting to get into the next realm this is the one to read! It arrived on time and in perfect condition.
- April Morning was a good book, with maybe a bit too much detail. But it accurately depicts the Battle of Lexington and Concord. I enjoyed it, although most people might not want to read it for entertainment. I had to read it for my eighth grade language class. This book was pretty good, and it was spiced up with a little bit of romance and the struggle of going to manhood.
