REVIEW OF JG BALLARD CRASH

- I find this book quite offensive. Mr. Goldman is certainly not the rediscoverer of Morgenstern's book, which was never really lost. Rather he has produced a film edited version that is proof that modern publishers and producers have no confidence in the intelligence of their readership. Bypass this abridgement and seek rather for the original masterpiece.

- This book is good for starting the search for college and how to pay for it. I recomend this for any body who wants a college education, child or adult. (Financial Aid itsn't just for kids.) There are lots of ways to get financial aid if you fill out the forms and make the dead lines.
