The seventy-fifth anniversary edition, with a new introduction by Anthony Quinn. 'I recommend Hamilton at every opportunity, because he was such a wonderful writer and yet is rather under-read today. All his novels are terrific' Sarah Waters 'If you were looking to fly from Dickens to Martin Amis with just one overnight stop, then Hamilton is your man' Nick Hornby Patrick Hamilton's novels were the inspiration for Matthew Bourne's new dance theatre production, *The Midnight Bell*. London, 1939, and in the grimy publands of Earls Court, George Harvey Bone is pursuing a helpless infatuation. Netta is cool, contemptuous and hopelessly desirable to George. George is adrift in a drunken hell, except in his 'dead' moments, when something goes click in his head and he realises, without a doubt, that he must kill her. In the darkly comic *Hangover Square* Patrick Hamilton brilliantly evokes a seedy, fog-bound world of saloon bars, lodging houses and boozing philosophers, immortalising the slang and conversational tone of a whole generation and capturing the premonitions of doom that pervaded London life in the months before the war.

Lo Moving to River's Edge was supposed to be a fresh start. Away from chaos. Away from bad influences and worse relationships. All I wanted was to give my little brother more of a chance than I ever had. It should've been simple. I didn't count on my transgressions following me. And I definitely didn't count on meeting Dare. Tall, tortured, and tattooed. A Lost Boy through and through. Falling for someone like him was asking for heartache. But I was a sucker for punishment. Dare I had a routine. Eat, work, sleep, repeat, only ever doing the bare minimum to keep up appearances. I kept my circle small and my guard high. I spent years making sure I didn't repeat the mistakes of my past, forming an impenetrable layer of ice around my heart. Then Logan showed up in my town, in my tattoo shop, testing my patience along with my self-control. She was fire and I was ice. I should've stayed away. But I had been cold for far too long.

REVIEW OF THE 45 HANGOVER A LOGAN AND STEEL NOVELLA LOGAN MCRAE BOOK 9

- I've read all of Jane Austen's classics. Emma is my favorite one. I've read it twice. I really connected with each of the characters and the story unfolds in a compelling fashion. Austen's writing is impeccable and a effortless joy to read.
- This one about the discoveries of the New World, again just chock full of art work, especially some great Dutch stuff. It was quite interesting and enlightening to read about these early explorers and the true hardships they and their crews had to bear. Horrendous times and scurvy everywhere. The excerpts from Captain Cook's journal and accompanying drawings were good too. Maps were fascinating, plotting the courses of several captains together. This is a highly readable series. Portugal was really the first leader in all the major discoveries.
