REVIEW OF MODAL VERBS I SPILLED THE BEANS

- Spurgeon's sermons are ageless, good and to the point. He is not an ear tickler

like so many who call themselves pastors today. He speaks the truth in love and he does not shrink back from calling sin, sin and those who do not repent, hell-bent sinners; yet he always points to hope and salvation at the Cross of Jesus. Why then 3 stars? This kindle version is full of grammatical and spelling errors, such as "I" is frequently represented as "!". Another example is a sentence in the third sermon: "down is our place, fiat before the cross." It

should read "flat before the cross." On top of that, it appears that the sermons are not complete and that some parts have been left out. I discovered this when I looked for the audio version or a text version I could forward to others. I hope these mistakes are fixed soon.

- This book is great, especailly because i was not raised in or around my ancestors and it has a lot of information that is important to me and gives me an idea of Native American views.
