REVIEW OF CA SRI LANKA PAST PAPER ANSWERS

• I finished this book only because I had to. Pages and pages describing a single grain of sand. Not for me.

• The translation from Justin O'brien, i felt, was the better translation;however, this translation is not bad. There are not enough words to express the way i felt about this book. The way Mersault went about life gave the whole novel almost a serial atmosphere as mersault's actions were unpredictable and irrational leaving mersault speechless when asked why he killed the arab. From the moment he pushes the trigger, it is a line which mersault has crossed and can no longer return from. On the other hand, what does it matter if we all are destined to die? This is what Mersault realizes. With all the actions Mersault commits, he never apologizes. Once he pulled the trigger, it was in fact "another loud, fateful rap on the door of my undoing" Once Mersaults time comes to face the guillotine, he only wants time to himself when the priest attempts to sympathize Mersault but, Mersault does not want to bother with god and becomes mad while strangling the priest "in a joy of ecstasy and rage", until the guards push him away and Mersault relaxes and prepares for his fateful end with the guillotine. It's too bad Camus was only with us for a short time. The greats are always gone too soon.
