REVIEW OF LA GESTIONE DELLE RISORSE UMANE NELLE PMI PERSONE E ORGANIZZAZIONI NELLECONOMIA SENZA CONFINI

- No lo pude soltar hasta llegar al final ya que mezcla el humor con las aventuras imparables. Los personajes son mágicos. Además es refrescante ver leyendas europeas y del continente americano topándose cara a cara, sumado a un excelente mensaje ecológico. La edición bilingüe es excelente para los que quieran reforzar cualquiera de los idiomas. Yo diría que igual lo disfrutan jóvenes y adultos.

- At the time this was first published it was a ground breaking novel. It became the prime example of an apparently supernatural society solidly built on a "rational" technological base. And yet, the characters who understand these technological underpinnings maintain a spiritual existential awareness that is atypical of the hard science novels that attempt to undermine directly, or through metaphor those with supernatural or theistic beliefs. Most importantly, this is a thoroughly entertaining book, great Summer read, with well done characters.
