Dragons Beware! Scholastic Inc.

“Librarians often say that every book is not for every child, but The True Blue Scouts of Sugar Man Swamp is” (The New York Times). Meet Bingo and J'miah, raccoon brothers on a mission to save Sugar Man Swamp in this rollicking tale and National Book Award Finalist from Newbery Honoree Kathi Appelt. Raccoon brothers Bingo and J'miah are the newest recruits of the Official Sugar Man Swamp Scouts. The opportunity to serve the Sugar Man—the massive creature who delights in delicious sugar cane and magnanimously rules over the swamp—is an honor, and also a big responsibility, since the rest of the swamp critters rely heavily on the intel of these hardworking Scouts. Twelve-year-old Chap Brayburn is not a member of any such organization. But he loves the swamp something fierce, and he'll do anything to help protect it. And help is surely needed, because world-class alligator wrestler Jaeger Stitch wants to turn Sugar Man swamp into an Alligator World Wrestling Arena and Theme Park, and the troubles don't end there. There is also a gang of wild feral hogs on the march, headed straight toward them all. The Scouts are ready. All they have to do is wake up the Sugar Man. Problem is, no one's been able to wake that fellow up in a decade or four... Newbery Honoree and Kathi Appelt's story of care and conservation has received five starred reviews, was selected as a National Book Award finalist, and is funny as all get out and ripe for reading aloud.

REVIEW OF DARKSTALKER WINGS OF FIRE LEGENDS

- When i first red the book in the highschool i've looked through like Pip. But after some years, when i'm reading it again, now i can see it like Dickens do... It's a novel that anybody can selfexplain on any time of his life. If not, he's very lucky...

- I had to read this book a few years ago for an advanced English class and I hate the book. I think its awful that I was forced to read what amounted to an 18th century serial out of a tabloid.The reason the book is filled with so much meaningless drivel is that Dickens was paid for each installment and the longer the series lasted the longer he had a steady job, At least thats my theory. I just wish I could ask the dead author some questions like Why didn't you let Pip grow the Hell up? That poor me, I'm a country peasant with no friends act got real tired real quick. Second question Where in his warped imagination did he get Ms. Havishom? News flash! Anyone who did so many terrible things because a man left her was mentally unstable before she met the jerk which explains why he left her. Oh and one more thing if your a feminists (like me) this book will get you upset enough. The only women in the book are either crazy old hags or out right bitches. It certainly says a lot about male Victorian sensibilities!!
