REVIEW OF BAY COUNTY FLORIDA PACING GUIDES FOR ALGEBRA 1

- I remember reading this book as a child and absolutely loved it. I highly recommend this book for anyone who is looking for a true classic any child would love.
- When I was a girl in the 1960's, I would come home from school, grab an apple and The Witch of Blackbird Pond and climb our willow tree in the backyard. The wind, carrying the scent of mint from the fields nearby, would sway the branches, and send me away to the shores of Saybrook Harbor, Connecticut to a world where Kit visited Hannah and fell in love with Nat. It affected me

to the point of naming my middle son Nate and also encouraging me to write historical fiction for children myself. How much influence does a writer have over children? I'm living proof that
