With this details, you are ready to start exciting literary experiences via the basic act of downloading If1 Mock Exam Papers. Satisfied analysis!

## **REVIEW OF IF1 MOCK EXAM PAPERS**

- This Sudoku treasury has 60 each of "Light and Easy," "Moderate," "Demanding," and "Beware! Very Challenging" puzzles. It also has six different types of bonus puzzles, 10 each: Super Sudoku, which are 12x12 grids, subdivided into 12 little 4x3 grids, "Up and Down", "Spiral Galaxies," "Alternate Corners," "Snaky Tiles," and "End View."The Up and Down are worked on a grid, like Sudoku, with each number unduplicated in its row and column. The object is to fill in all the subdivided blocks with numbers in order. Spiral Galaxies is worked on a grid but with no numbers; the object is to draw symmetrical tiles that completely cover the board. Alternate Corners is another numberless puzzle; the object is to draw a line through all squares on the board, turning at certain cells. Snaky Tiles is another spatial puzzle with numbers as reference points. End View asks the solver to put letters in the puzzle so that each row or column has all the letters. Certain rows and columns have letters at the margins; those letters are the first letters in from those margins, as if the puzzle was turned on end. These other puzzles I feel are a nice little change from the sudoku mindset. I don't know if I'd want a whole book of Snaky Tiles, but a couple here and there are fun. The Sudoku puzzles are on the same scale as Sudoku Easy to Hard, the other Shortz book of

puzzles. The book is nicely laid out with one puzzle per page and plenty of room to work them and make notes. The only downside of this book is that it is a little thick for casual solving; it doesn't fit in a pocket. You can, of course, tear out the puzzle pages and take them with you. If you like Sudoku puzzles, this is a good book to get and grow on. Happy solving and good luck!

- In *The Hebrew Prophets*, Rabbi Rami Shapiro gets downright apocalyptic in many of his interpretations of Hebrew prophecy. The chapter titles say it all. From Ignorance... To Truth; From

Injustice... to Justice; From Despair... to Joy. Shapiro is not afraid to wag his finger at the reader in his interpretations of the prophets, inviting us to step out of the darkness and into the light in his own imitable interpretation of those terms. As such, this text has a decidedly strident tone that is not found in some of his other works. But we can still find his uncompromising non-dualism in *Hebrew Prophets*, even in the prophetic garb. In this work, Shapiro psychologizes the message of the prophets, but in a very Jewish and Universalist framework. As such, there is something for many different types of readers in this well-written book.
