captivating read, Precor Efx534i User Guide is most definitely worth considering.

### **REVIEW OF PRECOR EFX534I USER GUIDE**

- Great reading and info even after all these years, specially if your into off grid stuff, well worth it. Some things never change...
- Kudos to Camika for effectively writing from a man's point of view. I have no idea how she did it, but it was good to get inside Greg's head. This book actually helped me understand the opposite sex a bit better. I found myself falling in love with Greg and wishing he were real so that I could hop the first plane to Dallas :) Adrian was a sick and confused sistah to say the least. I would easily rate this author's first effort five stars if it weren't for the very predictable outcome. It was bizarre that Greg didn't see the warning signs as he told this story first person when the average reader could see right through Adrian's schemes. Well anyway, the twist that was added to the ending almost made up for the lack of surprise. I recommend this book to the fullest.
