REVIEW OF DOWNLOAD UNDERSTANDING NORMAL AND CLINICAL NUTRITION

- My two year old loves this book. I was hoping to find some other books for my daughter by checking reviews from other readers, but no one had any- so I thought I would recommend Chicka Chicka Boom Boom (another sing songy favorite that we have memorized) and Eric Carle's book about Papa getting the Moon (exact title escapes me). The Carle book is a necessity if your child likes the moon like ours does.

- Strong, intelligent females, men who have the years to add real weight to well earned experience (and one or two still working on it), and the kind of discriptions that let you feel the heat and smell the air in Posadas County. The tale is, as always, a good one that keeps you turning the pages.
