REVIEW OF MATH JOURNAL ANSWER KEY EVERYDAY MATHEMATICS 5TH GRADE

- I watched the Disney movie and then was compelled to look up all the old books on Big Red that I'd read before. It's funny, but the passage of time doesn't seem to lessen the emotion I feel about this amazing horse, and in reading this book, I found myself deeply involved again in all the players and the stories behind each race. I love the photos, and

some of them brought tears, such as Secretariat being led off the track for the last time, Ron Turcotte kissing him goodbye, and especially the picture of Eddie Sweat, the groom, standing alone with his suitcase, back to the camera, but apparently wiping tears as he said goodbye to Secretariat at Claiborne farm. Those of us who have been impacted by this horse will love to go back in time with this story and these pictures, but a warning that the "Where They Are" section at the end can really bring up the emotions. You realize that not just the horse, but the people around him, touched you deeply. I'm glad there are books like this, videos, and a web site to help us keep Big Red alive in our hearts.

- The book is absolutely beautiful. It

makes Jean Ritchie's songs more relevant, to read the words and the stories she associates with them. The

mention of mining in the last chapter saddens me because I know what happened to all such communities when the coal ran out. The book is beautiful.
