REVIEW OF ICC GUIDE TO INCOTERMS 2010

- This book is extremely confusing. She throws out so many

names and religions in such a short frame that it's impossible to follow along. You basically have to already have a good knowledge of all the religions she is talking about to understand what is going on. I had no knowledge of any religions prior to reading this book and it left me very confused. I only managed to read about 60 pages before I had to completely stop. I cannot believe how many positive reviews this book has.

- I really enjoyed reading this book and seeing the history it has, it is a older book but has a wealth of information and some great pictures. There is not a lot available on the delta but this book was a great purchase and wouldn't hesitate to buy it.
