REVIEW OF GRADE 9 ECONOMIC MANAGEMENT SCIENCE EXAMINATION PAPERS

- This book really helped me through the college application process. I was having a hard time trying to come up with a topic that wouldn't put admission officers to sleep, and this book did exactly that. Harry Bauld worked for a university and knows what catches the eye and what doesn't. I was able to come up with a clever topic for my essay. This may sound too good to be true, but my essays, with the advice and tips on from Harry Bauld, partially helped me get a full scholarship to college. I highly recommend this book to anyone having any trouble writing essays! Good luck!

- My criticism would be that people with emotional problems with God's grace can still be good spouses. On the other hand, it certainly helps make the marriage easier and with a higher probability of success to marry someone who is emotionally well-adjusted! A great book to help young adults to look at themselves and their relationships so they will have healthy marriages and families.
