REVIEW OF CHAPTER 28 GUIDED READING THE NEW FRONTIER

- I will give it 2 stars because the characters

were likeable; however, the plot never did catch my interest. Also, there were several sub-plots that were thrown in that made it confusing. What was the deal with Catriona's uncle and his mysterious assistant? This was some other story entirely. Does the author intend a sequel? Also, Catriona's brother had some serious

problems including a missing child who was later found. Again, this was another story. Even if there is a sequel that might explain, I am not interested enough to read them. Sorry.

- Best read in short sessions but quite interesting in parts. I confess that I "skimmed" over some parts that became a bit tedious.
