REVIEW OF EASTER BUNNY STORIES JOKES GAMES AND MORE

- Hawthorne will always be my favorite American Writer. I only had a brief exposure to Wharton in Women's Writing. But if her "Ethan Frome" is a typical indication of her abilities, she could very well be Hawthorne's closest runnerup. Her images are beautiful. The love triangle has been a subject of literature since literature began, and yet Wharton seems to present it in such a memorable fashion. The icing on the cake is the ironic, but realistic ending. If you like this book, you MUST see the movie where Liam Neeson does Ethan.
- Excellent novella. Expertly captures time and place and a sense of mystery and foreboding that carries the reader forward page after page.
