## **REVIEW OF DIRTY BOYS OF SUMMER ALPHAS BILLIONAIRES BIKERS AND JOCKS ENGLISH EDITION**

- When I was a child, I remember watching the cartoon version of "The Hobbit" and loving every second of it. I was suprised at how well the story was rounded, even though it had been translated into a cartoon. I had no idea, however, that the real magic of the story is told in the pages of Tolkien's masterpiece. When it was first published in 1937, the publisher and Tolkien had no idea that it would blossom and grow as it has (few authors think that their books will do as well as Tolkien's, and can only hope for the high mark which Mr. Tolkien has achieved.) Now, 62 years later, we find that it is perhaps THE most beloved book of the century. The well rounded plot and interesting, dynamic characters make "The Hobbit" the finist book in it's genre. Many other authors have tried to emulate Tolkien's masterful performance, but have all fallen utterly short of the high mark which Tolkien sites at. In my book, J.R.R. Tolkien will be one of the greatest authors in fantasy, and his wonderful and enchanting works will never lose their literary quality or magic.

- With the premier of the HOBBIT movie just around the corner, this small book is the perfect size to carry in pockets to

cafe's fro reading .... very well and fully revised to current publication of  
constructed gold edges with crisp text this amazing adventure from JRR
