## **REVIEW OF 4EFE ENGINE OIL**

- The book bought was in great conditions and

well preserved. No major damage was done and the price was fair.

- In all honesty, have not read the book. Planning to though. I'm more interested in finding Curt's recording(s) of "Pert-Near Surviving: Care and Training of Little Women". Back in the late 90's my older brother was fighting a valiant battle with brain cancer. I'd gone to visit him for the weekend and he wanted me to listen to what he thought was one of the funniest comedian's he'd ever heard. We went to the car, stuck in the `ole cassette tape and sat together, just the two of us, listening and laughing together. One the happier moments in his long struggle and one that I'll forever

remember. He lost his battle 10 years ago and I'm left with the wonderful memories of a really great man; and Curt Brummett has a place among those memories. If anyone knows where/how I can get hold of those tapes/CDs please let me know. It would mean so much for this two kids and grandkids to be able to sit and listen to `old Curt tell his stories, just as their father/grandfather had done. God Bless!
