We hope this post has motivated you to explore Reflexology Spa Therapy, get in touch with fellow readers, and compose your very own reviews. Pleased analysis!

## REVIEW OF REFLEXOLOGY

## SPA THERAPY

- I can sympathize with the reviewer who found this book to be "vague, wordy, ambiguous, contradictory, and or no practical help." If you turn to John O'Donohue for a practicum on Celtic spirituality you will be similarly confounded. All of O'Donohue's books are image-intensive lyrics for the songs of our souls. They are not meant to be discursive or systematic, nor are they in any way beholden to canons of Anglo-Saxon verb-driven prose. Perhaps the best way to appreciate this or any of his books is to sit in your garden with a cup of strong tea, a thick slice of toasted bread with butter or marmalade, and a copy of this book, and take small mouthfuls of each allowing time between to savor and digest.

- My comment regards the pocket edition. The value of the book in general is widely known. But I was amazed by the splendid pocket edition. It is very handy, has very thin pages for the text and the images are all in the last section of the book. The letters are not too small. There are two bookmarks, one for the text and one for the images which is very useful and cute at the same time. A handy guide in a handy size.
