REVIEW OF DEMOCRACY AT WORK A CURE FOR CAPITALISM RICHARD D WOLFF

- I read A Tree Grows in Brooklyn for a school summer assignment and loved it! Once you get into the story, you don't even realize you are turning the pages. There is a lot of action and different events going on the whole time. It is very realistic about life tragedies and joys. The author has a unique vocabulary and I can't wait until I can read another one of her books, Joy in the Morning.
- Even though this book was written in 1943, I found it to be relevant today. How did I miss reading it earlier in my life?
