REVIEW OF MSBTE SAMPLE QUESTION PAPER 2ND SEM CIVIL FILE TYPE PDF

- My opinion of this book is that this book was horrible. The only time that it caught my eye was when they first got stuck on the island and when they got off. So basically, in the middle of this book, i wasn't listening. This book had alot of realism and creativity that was probably the highest point of this book. If I would have to pick a leader for them i wouldn't have picked any of them because they all act like animals. And the events that took place like for one when they thought that Simon was the beast, that was just dumb to me. I also gave it one star because it didn't deserve anything better than that. The friendship between Ralph and Piggy was odd. Another thing that was odd was these kids had the urge to kill one another. At the beginning of this book, I asked myself, "How did all these kids survive but not one adult did?" I think the book would have been a whole lot better if they had about 2 or 3 adults to keep the kids from talking about that ridiculous beast. The Lord Of The Flies I read for an sophomore english class. But the books that I read my freshman year like, Of Mice and Men, Romeo and Juliet, and To Kill a Mockingbird, those were good books and better books than Lord of The Flies.

- This book is amazing. Some people says it's not realistic, people don't behave that way, it doesn't represent mankind... Thousands of people are killed everyday around the world. The rich countries get richer and richer while the poor countries get poorer and poorer. Hundreds of millions of people around the world don't have anything to eat or drink. Small kids are forced to work for the benefit of occident companies. Who dares to say *we* are not evil?
