Cinematography book. Read reviews from world's largest community for readers.

**REVIEW OF
CINEMATOGRAPHY THIRD
EDITION**

- I loved the movie so just figured I would love the book as well. I enjoyed the back ground info about the characters that's not in the movie. Could have done with out all the author background stuff.

- This book is brimming with enlightening and interesting information, but the thesis could perhaps be more strongly made. I reviewed this book, as well as Millennialism and Violence, and Millennium, Messiahs, and Mayhem: Contemporary Apocalyptic Movements, in The Journal of Conflict Studies, Fall 1998.
