### REVIEW OF DAIHATSU MIRA SERVICE MANUAL

- There sure is some exciting literature out there. This is not it. The material is very dry...desert comes to mind. I am using this book for my accounting 211 course at OSU, and boy is it fun (note the sarcasm). And what's with the dates in the example problems (such as 12/31/x1)? What is that? Were they too afraid to put a 9 in there? They didn't think we, the students, could handle it? But hey, I'm not bitter or anything. I don't even think you COULD make accounting interesting. A must read! (HA!)

- This college accounting book is SO UNDERSTANDABLE--it uses PLAIN ENGLISH, doesn't give you a lot of hard to understand theoretical concepts like other accounting books. it gives you what you need to know in order to study accounting and in a format that you can understand. you can read thru 1 chapter easily since it only gives you what you NEED to know. it first gives objective questions in the front of the chapter and then summarizes the definitions for important words, phrases, and terminology at the end of each chapter. it's very practical in introducing you to real life accounting.SORRY--THIS REVIEW REFERS TO THE TEXT BOOK, NOT THE STUDY GUIDE.
