REVIEW OF EVERYTHING THAT RISES MUST CONVERGE BY FLANNERY O CONNOR

- I heard this book on tape. For people who are interested in the history of The West and the Indians, this book is a must. I liked it and this wonderful reader so much that I have ordered the tape for several of my friends.

- I re-read this book just recently and loved it even more the second time. Bonfire of the Vanities is a marvelous achievement: By turns, it doubles you over with laughter, causes you to pause and linger over a sublimely-written paragraph and shocks you into confronting the realities of our modern day institutions. The language is not for the faint-hearted -- beware. But as social satire and commentary, you're likely to find few equals.
