So, what are you awaiting? Beginning your reading journey today with electronic Strong Inside Young Readers Edition The True Story Of How Perry Wallace Broke College Basketballs Color Line publication downloads. With numerous titles and styles to pick from, the possibilities are endless. Delighted analysis!

REVIEW OF STRONG INSIDE YOUNG READERS EDITION THE TRUE STORY OF HOW PERRY WALLACE BROKE COLLEGE BASKETBALLS COLOR LINE

- I was disappointed in this book. It wasn't nearly as exciting as some of the earlier ones. It's almost as though her style of writing has changed over the series. I hope The Last Precinct will be better, but some of the reviews I've seen makes me doubtful.

• I am of the opinion that summertime desserts should be light and cool; they should also be quick and easy since most of us would rather be sunning at the pool, working in our garden, or just enjoying the beautiful weather; we don't want to spend precious time in the kitchen cooking. I recently purchased Icebox Pies by Lauren Chattman, and have been delighted with this book. Icebox Pies has colorful pictures of numerous decadent pies, all either chilled or frozen. There are recipes for 15 easy to make crumb crusts, which are much quicker than the rolled kind. Of course there is a plain old graham cracker crust which all of us need to make from time to time, but the boring stops there and the remaining crust recipes are much more exciting. The fillings are innovative and absolutely mouthwatering - there is something for every taste here. Ms. Chattman has even included toppings and garnishes so that the pies are suitable for serving at any

dinner--from a simple and casual family barbecue to a fancy dinner party. Besides the colorful pictures, I like the comments on each recipe which give suggestions on ingredients or helpful hints on each particular recipe. The book is well-written and organized. There is an introduction that gives information on the making of icebox pies and also describes icebox pie ingredients. The table of Contents and Index are both excellent. Although most of the recipes are quick and easy, they don't call for disgusting convenience foods like frozen whipped topping. Ms. Chattman is a real chef and knows what good food is supposed to taste like. She has used her imagination to come up with beautiful, decadent pies that have a minimum of ingredients and can be made ahead. My family loved the Pina Colada Pie and the Rich Chocolate Mousse Pie. My only problem with this book is that I want to make all 100 recipes every time I look at the book, and can only make one at a time!
