There are seminal moments in peoples'

lives which change everything. For Tom Muir it was the revelation of deceit by his wife and the emotional collapse that followed. This dark period in his life started taking him places he never expected. Torn apart and absolutely confused, he began to question everything. He began to experience an avalanche of tragedies that brought him to his knees emotionally and spiritually. Even his childhood faith was at risk as he had to face his inadequacies. Our own shortcomings can be hard to face, but Tom's transparency makes the prospect easier. Baring his heart, he reveals the brutality of his father and the chaos that came with a mother struggling with alcoholism. Tom has a 'Job' moment when he lets go of everything in search for the truth. He feels that the cost of his suffering is too high not to learn from it. It is in this place of total surrender that he experiences a cathartic insight: pain is inevitable, but how we respond to it is everything. Readers will gain hope when they see that their real identity can be free from the baggage of the past and they can believe for a better future.

REVIEW OF HARD LUCK DIARY OF A WIMPY KID BOOK 8

- The writing is smart and the plot is thoughtful and fast-paced. You'll like the characters you're meant to and you'll cheer when the annoying ones get their comeuppance. I read the whole book with a big smile on my face.

- As a blogger who writes quirky and unconventional perspectives on LOVE, I am compelled to read what is moving the public. Anais Nin's Delta of Venus was definitely an improvement over Fifty Shades of Grey. However for me, erotica is not personally moving sans the romance. Nin herself writes that sex without love lacks color. Delta of Venus is a series of short sex stories. I stayed with it anticipating that one of the essays would capture my attention. Instead I was once again disappointed in reading about atypical sexual perversions void of emotion. More interesting is to consider how scandalous Delta of Venus was in the context of the times. Howard Roarke in the Fountainhead got me going more than the characters in 50 Shades of Grey and Delta of Venus. Back to writing on ILoveYouOften.com, an optimistic reality check on love and relationships and other good stuff!
