Making Freedom: The Underground Railroad and the Politics of Slavery

[The Legend of the Underground Railroad](#) Capstone

In the dark of the night a Barefoot, an escaped slave, flees for his life. With his pursuers close behind and the moon shrouded in clouds, Barefoot must rely on the wisdom of the wild animals of the forest and swamp to guide him to the safety of the underground railroad. Innovative perspective and use of light and a spare text result in an unforgettable portrayal of one slave's journey to freedom. "Another outstanding collaboration from the duo responsible for *Some Smug Slug*."—starred review/School Library Journal

Scenes in the Life of Harriet Tubman Univ of Wisconsin Press

The Underground Railroad was a complex network of secret routes, safe houses, and courageous men and women, both black and white, who helped slaves escape to free states and to Canada. "Conductors," such as Harriet Tubman, risked recapture in the South guiding slaves to freedom. Readers explore the formation of this extremely effective anti-slavery escape network and the people who made it work.

Escape from Slavery Following the Jackson County Trails Createspace Independent Publishing Platform

The essential, "richly researched"* biography of Harriet Tubman, revealing a complex woman who "led a remarkable life, one that her race, her sex, and her origins make all the more extraordinary" (*The New York Times Book Review). Harriet Tubman is one of the giants of American history—a fearless visionary who led scores of her fellow slaves to freedom and battled courageously behind enemy lines during the Civil War. Now, in this magnificent biography, historian Kate Clifford Larson gives us a powerful, intimate, meticulously detailed portrait of Tubman and her times. Drawing from a trove of new documents and sources as well as extensive genealogical data, Larson presents Harriet Tubman as a complete human being—brilliant, shrewd, deeply religious, and passionate in her pursuit of freedom. A true American hero, Tubman was also a woman who loved, suffered, and sacrificed. Praise for *Bound for the Promised Land* "[Bound for the Promised Land] appropriately reads like fiction, for Tubman's exploits required such intelligence, physical stamina and pure fearlessness that only a very few would have even contemplated the feats that she actually undertook. . . . Larson captures Tubman's determination and seeming imperviousness to pain and suffering, coupled with an extraordinary selflessness and caring for others."—The Seattle Times "Essential for those interested in Tubman and her causes . . . Larson does an especially thorough job of . . . uncovering relevant documents, some of them long hidden by history and neglect."—The

Plain Dealer "Larson has captured Harriet Tubman's clandestine nature . . . reading Ms. Larson made me wonder if Tubman is not, in fact, the greatest spy this country has ever produced."—The New York Sun

Runaway Slaves to Mexico and the Road to the Civil War University Press of Kentucky

The Underground Railroad was the massive effort by slaves and free people to secretly bring thousands of blacks to freedom in the North during the 19th century. This thought-provoking book will capture readers' imaginations and fill them with awe for the brave "conductors" and "passengers" on the Railroad. They'll learn about the many safe havens, called "depots," that housed fugitives and the secret passages within them that hid slaves from their pursuers. Information about the American Civil War and the Fugitive Slave Act, biographies of figures vital to the Underground Railroad, and stunning photographs and artwork are included in this important work about a terrible time in American history.

Uncle Tom's Cabin McFarland

Between 1783 and 1860, more than 100,000 enslaved African Americans escaped across the border between slave and free territory in search of freedom. Most of these escapes were unaided, but as the American anti-slavery movement became more militant after 1830, assisted escapes became more common. Help came from the Underground Railroad, which still stands as one of the most powerful and sustained multiracial human rights movements in world history. This work examines and interprets the available historical evidence about fugitive slaves and the Underground Railroad in Kentucky, the southernmost sections of the free states bordering Kentucky along the Ohio River, and, to a lesser extent, the slave states to the immediate south. Kentucky was central to the Underground Railroad because its northern boundary, the Ohio River, represented a three hundred mile boundary between slavery and nominal freedom. The book examines the landscape of Kentucky and the surrounding states; fugitive slaves before 1850, in the 1850s and during the Civil War; and their motivations and escape strategies and the risks involved with escape. The reasons why people broke law and social convention to befriend fugitive slaves, common escape routes, crossing points through Kentucky from Tennessee and points south, and specific individuals who provided assistance--all are topics covered.

Escape North The Floating Press

*Includes pictures *Includes accounts of the Underground Railroad and Tubman's life *Includes online resources and a bibliography for further reading *Includes a table of contents "I was the conductor of the Underground Railroad for eight years, and I can say what most conductors can't say - I never ran my train off the track and I never lost a passenger." - Harriet Tubman The Underground Railroad is one of the most taught topics to young schoolchildren, and every American is familiar with the idea of fugitive slaves escaping to Canada and the North with the help of determined abolitionists and even former escaped slaves like Harriet Tubman. The secrecy involved in the Underground Railroad made it one of the most mysterious aspects of the mid-19th century in America, to the extent that claims spread that 100,000 slaves had escaped via the Underground Railroad. Of course, from a practical standpoint, the Underground Railroad had to remain covert not

only for the sake of thousands of slaves, but for a small army of men and women of every race, religion and economic class who put themselves in peril on an ongoing basis throughout the first half of the 19th century, and in the years leading up to the war. Over 150 years later, that same secrecy has helped the Underground Railroad become so romanticized and mythologized that people often visualize it in ways that were far different from reality. Before the American Civil War eliminated slavery, it was a fixture in North America for over 200 years, and by 1850 a trained slave was worth approximately \$2,500, around 10 times the sum of a typical annual salary in that day. As a result, the economic dependence on slavery in the South was an extreme one, and in the wake of the Fugitive Slave Act, black people in the North were under constant pressure to defend their "credentials" to bounty hunters and owners. Between the value of slaves in America, rising abolitionist sentiment at home and overseas, and political debates promoting or hindering the movement toward equality, the era in which the Underground Railroad operated cannot be easily fit into a concise body of principles, actions or geography. Harriet Tubman is one of the most famous women in American history, and from an early age every American learns of her contributions to abolition and the Underground Railroad. The woman who became known as the Moses of her people personally led more than 13 expeditions to free slaves in the South, and she was so integral in helping escaped slaves achieve freedom that her name is practically synonymous with the Underground Railroad today. If anything, the central role she played in the Underground Railroad has become so ingrained among subsequent generations that Tubman's life has been shrouded in legend, and other important aspects have been overlooked. In order to fully appreciate and understand both Harriet Tubman's life and the important role she played in the abolitionist movement, it is necessary to examine the circumstances in which she was raised and what events drove her to the path she chose. Anthropologist Douglas Armstrong notes "[s]o little information about Tubman has been based on fact and so much based on myth and created history" that it has only been recently that historians have "come to the point where we can recognize her true contributions." In fact, Tubman's entire life consisted of struggles and persistence, whether she was fighting on behalf of slaves, the Union army during the Civil War, or women's rights. After managing to escape the severe beatings and humiliation of slavery herself, she put her life on the line over and over again to help others, and she could proudly boast, "I was the conductor of the Underground Railroad for eight years, and I can say what most conductors can't say - I never ran my train off the track and I never lost a passenger."

The Underground Railroad Modern Library

#1 New York Times Bestseller - Winner of the Pulitzer Prize - Winner of the National Book Award - Winner of the Andrew Carnegie Medal for Excellence in Fiction - Longlisted for the Man Booker Prize One of the Best books of the Year: The New York Times, The Washington Post, NPR, The Boston Globe, The Seattle Times, HuffPost, Esquire, Minneapolis Star Tribune Look for Whitehead's acclaimed new novel, *The Nickel Boys*, available now Cora is a young slave on a cotton plantation in Georgia. An outcast even among her fellow Africans, she is on the cusp of womanhood--where greater pain awaits. And so when Caesar, a slave who has recently arrived from Virginia, urges her to join him on the Underground Railroad, she seizes the opportunity and escapes with him. In Colson

Whitehead's ingenious conception, the Underground Railroad is no mere metaphor: engineers and conductors operate a secret network of actual tracks and tunnels beneath the Southern soil. Cora embarks on a harrowing flight from one state to the next, encountering, like Gulliver, strange yet familiar iterations of her own world at each stop. As Whitehead brilliantly re-creates the terrors of the antebellum era, he weaves in the saga of our nation, from the brutal abduction of Africans to the unfulfilled promises of the present day. The Underground Railroad is both the gripping tale of one woman's will to escape the horrors of bondage--and a powerful meditation on the history we all share.

Early Life, Escape from Slavery, Underground Railroad, and Her Legacy GRIN Verlag

This volume contains a multitude of wonderful stories that weave together a picture of life in the South in the 1800s and the fear and courage of those that participated in helping thousands of people escape slavery. The work also includes chapters on the politics of the time, and the oft-times contradictory laws that were passed.

[Escape from Slavery](#) Chicago Review Press

Narrative of the Life of Frederick Douglass First published in 1845, Narrative of the Life of Frederick Douglass is an eye-opening depiction of American slavery. Part autobiography, part human-rights

treatise, it describes the everyday horrors inflicted on captive laborers, as well as the strength and courage needed to survive. Narrative of the Life of Frederick Douglass Born into slavery on a Maryland plantation in 1818, Frederick Douglass spent years secretly teaching himself to read and write—a crime for which he risked life and limb. After two failed escapes, Douglass finally, blessedly boarded a train in 1838 that would eventually lead him to New York City and freedom. Narrative of the Life of Frederick Douglass Few books have done more to change America's notion of African Americans than this seminal work. Beyond its historical and social relevancy, it is admired today for its gripping stories, the intensity of spirit, and heartfelt humanity. Narrative of the Life of Frederick Douglass This ebook has been professionally proofread to ensure accuracy and readability on all devices. Narrative of the Life of Frederick Douglass Born into a life of bondage, Frederick Douglass secretly taught himself to read and write. It was a crime punishable by death, but it resulted in one of the most eloquent indictments of slavery ever recorded. His gripping narrative takes us into the fields, cabins, and manors of pre-Civil War plantations in the South and reveals the daily terrors he suffered. Narrative of the Life of Frederick Douglass Written more than a century and a half ago by a Black man who went on to become a famous orator, U.S. minister to Haiti, and leader of his people, this timeless classic still speaks directly to our age. It is a record of savagery and inhumanity that goes far to explain why America still suffers from the great injustices of the past. Narrative of the Life of Frederick Douglass

[Narrative of the Life and Adventures of Henry Bibb](#) OUP USA

Seminar paper from the year 2016 in the subject History - America, , language: English, abstract: This paper explains the "Underground Railroad", a system of support for enslaved African Americans who tried to escape slavery and reach the free Northern states. It shows: - What the Underground Railroad was; - How it worked; - Who was involved; - What the consequences of its existence were for the Southern as well as the Northern states of the U.S.

[Rebels on the Plantation](#) Peachtree Publishers

Presents details about plantation life before the Civil War when slaves frequently rebelled against their masters and escaped

A Documentary History of Runaway Slaves in Eighteenth-Century New England, 1700-1789 The Rosen Publishing Group, Inc

Running a Thousand Miles for Freedom details the escape of Ellen and William Craft from slavery in Georgia in the United States. Well publicized at the time, the married couple became celebrities in the abolitionist struggle. Their daring and risky plan meant passing the light-skinned Ellen off as a white male traveling with 'his' slave, William, as no woman would have traveled alone with a slave at the time. Running a Thousand Miles for Freedom gives a unique historical opportunity to witness a first hand account of notions of race, gender and class as they stood in a nineteenth century society which treated them as fixed and defining.

[The Underground Railroad](#) Courier Corporation

Firsthand accounts of escapes from slavery in the American South include narratives by Frederick Douglass, Sojourner Truth, and Harriet Tubman as well as lesser-known travelers of the Underground

Railroad.

REVIEW OF UNDERGROUND RAILROAD ESCAPE FROM SLAVERY

ANSWER KEY

- the item was shipped on time...received as what has promised...i bought this for my niece who is a nursing student...it's a very good reference book for nursing...brand new and received in good condition...thank you
- This book is very good at getting to the core of why so many sons of "The Greatest Generation"

didn't have good relationships with their fathers after they returned from war. Sons reminisce about their struggles with fathers' spirits that were "killed by the war", leaving them empty and ill-equipped to raise sons after their horrifying ordeals. They wanted their sons to be without cowardise, "like little soldiers" leaving no room for what they thought were mistakes. This book arrived in A-1 condition.
