REVIEW OF HESI A2 EXAM INFORMATIONAL HANDOUT LEHMAN COLLEGE

- This is the short review: buy the Frommer's.
- My niece, who LOVES Angelina, was expecting a baby sister, so I was excited to find this book. I ordered it based on the other reviews. It started well, but when I reached the page where "At that moment she [Angelina] hated Polly [the new baby] and wished Polly would just disappear!" I was taken aback. Hated? My 3-year old niece does not yet know that concept, and I sure didn't want to be the one to introduce it! On the next page Angelina has a tantrum and completely trashes her room. I decided I didn't want to give my niece ideas like this - and didn't give her book. Very disappointing.
