So, what are you waiting for? Begin your analysis adventure today with electronic Dr Tommy J Curry book downloads. With so many titles and categories to pick from, the possibilities are limitless. Happy reading!

REVIEW OF DR TOMMY J CURRY

- I wish I could give this book more than 5 stars. I'm an avid reader and have probably read thousands of books, but A Tree Grows in Brooklyn continues to be my favorite. I think this book should be required reading for all high school and college students, and I'm always surprised it's not on more summer reading lists.

- I think I finally understand my younger sister who is in her forties today. She read this book when she was the age of eight or nine and living in New York City. I recall her talking about how wonderful the book was and how much she enjoyed Francie and aunt Sizzy. Like Francie (including myself), she grew up in similar circumstances except there were six siblings and mother. Dad was too irresponsible to fit any of the characters, except perhaps the disgruntled Willie Flittman, who runs off with his new found vocation; a single man orchestra (substitute women). Anyhow, she grew into Sizzy more than Francie although there was a lot of Francie in her as a young girl. I certainly went off in search of the American dream. My sister did not, although Francie still lives in her particularly in her search for beauty, love, and insatiable love for books. She too wanted to read all of the books in the local library. The book speaks mounds of truth about poverty and the struggle faced by urban poor. Ms. B. Smith treats the subject and the characters with great tenderness and honesty. Although the pathos and ethos of the urban poor may not have been of great interest or even palatable to readers at the time of the book's publication, the great human paradigm and its redeeming values is timeless and relevant. Reading A Grows in Brooklyn and having lived in Brooklyn Heights as well as experienced a similar childhood is especially welcoming. To reflect on those difficult childhood times is important as it helps keep me grounded. I would not deny or exchange that experience for anything in the world. The book is a must read for all lovers of literature regardless of age, gender, or socioeconomic circumstances.
