REVIEW OF 1984 MULTIPLE CHOICE APPLIED PRACTICE ANSWERS

- My wife thought this book was a great book of info to help with her research.

Will look to purchase more books on the subject.

- This book was also recommended to me by a very dear friend in Christ. And I'm very so grateful for this recommendation! I've been studying scriptures for a couple of years now and found that this book chronicles Jesus' ministry precisely. This book is a collection of letters sent by a young sojourning lady, named Adina from Alexandria, back to her father living in Alexandria. She traveled to and lived in the holy city during the 3 1/2 years of Jesus' ministry there. And she actually met him!! And she goes into beautiful narratives about the miracles Jesus performed!! This book goes into very precise descriptions of Jesus' teachings, works, philosophy and personality.

Things which one doesn't understand via the New Testament are clearly revealed and unveiled in this book. I consider this book a miracle, in that these letters, 39 in all, were preserved over this long of a time in order to be put in a book format for us to read. This book truly cemented in my mind that Jesus is the Way, Truth and Life and the love he truly has for

everyone: It cleared up any doubt which I previously had, and it strengthened my faith to a new and higher level. I recommend this book especially to anyone whom has questions or doubt in regards to Jesus and His ministry and mission to humanity. This book is truly a love story in and of itself!!
