REVIEW OF JEEP GRAND CHEROKEE OWNERS MANUAL

- Lanna Richards writes from the heart and this touching novel will both jerk tears and make you smile. I felt as if I was peeping over the fence of the Sullivan's Mississippi plantation -- the characters are that real! And, it was easy to fall in love with them, identify with them, grieve with them, and rejoice with them. Heart of Stones will live on in your memory and remind you what's right about people.
- This book by far was very disappointing. Three quarters the way through it gave u a dictionary.....What the heck.....then that was it...it ended like that!!! By far very disappointing

read.
