Toro, connect with fellow viewers, and create your own evaluations. Delighted reading!

### **REVIEW OF 007 017 TO MAX TORO**

- I received as a baby gift for my second child. We are now reading it through for the second time. My children have always enjoyed it. The stories are short enough to hold their interests and have questions at the end of each story. They are just the perfect length for nighttime reading.
- One of the better audiobook readings of any Austen novel.

Prunella Scales is particularly fine at delineating the voices of the various characters: the forthright and sensible Mr Knightley, the self-satisfaction of Emma, the tremulous old-womanish Mr Woodhouse, and the silliness of Harriet Smith, are all definitely and exactly given utterance. The dialogue has all the crack and vivacity you could ask for. However, Scales is slightly less convincing in the author's own voice. She doesn't always fully characterize the many distinctions the author makes but her reading still remains on the happy side of neutrality because it never intrudes: it understates rather than obscures the point of Austen's writing. Even so, delicate reticence is always more welcome than brazen misreading of which, alas, many examples abound.
