## **REVIEW OF ISBN 9780133797190 ENTREPRENEUR SHIP**

## SUCCESSFULLY

- Red Storm Rising is one of Tom Clancy's better novels. Yes, it's technical, and yes, there are contrived instances. Overall, the book is well paced and engaging.
- I loved this book. It was charming, it had that "Cinderella" quality that many reviewers mention -- but oh, it had so much heart! Miss Pettigrew is so very English, and

her inner thoughts are wonderful. This is like watching a 1930's black and white movie, but it's even better, because there's so much depth. If you're looking for a heartwarming, "Golden Age" type story that is funny and romantic but not saccharine-y, then get this book! And the Persephone Classics book is wonderful, because it has the illustrations, too.
