REVIEW OF TRACKS LOUISE ERDRICH

- Sorry for the short review...I was completely new to Ant before buying this book, now I feel like an expert. It's a very well structured book. If you want to know what Ant is all about, just read the first part of the book. If you want to know how to do some more advanced stuff, this book covers it all.I'm going to now be using Ant as my deployment tool in development and production, dealing with static content, CVS, Struts, and more.
- Dear Amazon Friends,This book is well worth it. I highly recommend it. If you were just to implement 3 or 4 of these Motivational techniques, you'll improve your life.
