Remember, reading evaluations can aid you make informed decisions about what to check out following and can expose you to brand-new writers and styles you might not have considered previously.

REVIEW OF THINKING VOLLEYBALL ALONGZ

- All of Roald Dahl's key works contain common features that make his books special and unique.

Apart from gripping tales of the unexpected, the key reason for their appeal is in the treatment of the baddies in the story. However, Dahl counters this rollicking, uproarious and wicked humour with deep relationships between the young protagonist and a sensible grown-up in his social circle. This theme features throughout most if not all his works, and was first introduced when he wrote *Danny, the Champion of the World* (Puffin Novels), maturing when Dahl wrote *The BFG*, *The Witches* (Puffin Novels) and *Matilda*. On the surface, *Matilda* may be a gripping yarn that revolves around Matilda's environment of Crunchem Hall Primary School and the domain of fearsome Miss Trunchbull, arguably the most revolting villain that Dahl ever created. This harks back to his own dark days as a student. As with all his books, Dahl keeps his audience of young readers in mind. Not only is his style easily accessible and lively, but he sides with his young audience through his writing. He draws the characters of Miss Trunchbull and Matilda's repulsive parents such that they convey revolting personas and you wouldn't want to befriend them. Dahl particularly draws the character of the Trunchbul effectively such that we readers can really feel her as a "holy terror that frightend the life out of the pupils and teachers alike". I admit that this book dwells a little too much on the Trunchbull's torturous punishments, but these only serve to make the Trunchbull more real. A signature twist to make this a tale of the unexpected is when Miss Honey reveals that Matilda's father was a crook who sold stolen cars. However, the understated core of the book should be Matilda herself and her relationship with Miss Honey. His portrayal of this relationship offers distinct echoes of Danny's relationship with his father in *Danny the Champion of the World*. From the moment that Dahl first introduces us to Matilda's maturity, we know that we are getting to know an extraordinary little girl. In spite of her sensitive and brilliant mind, she is a character who engages our sympathies. Matilda always strives to break free of the thrall of her crooked family, especially her father, who acts and talks like a gangster towards her. Matilda strikes up an acquaintance with Miss Honey and quickly learns of Miss Honey's situation. She is then able to do things in her power to help her and restore her rightful claim to her father's inheritance. This may appear to be self-interest on Matilda's part, but sshe does this because she shows a genuine sympathy to Miss Honey's plight. In short, this swansong in Dahl's long children's novels stands as an undisputed masterwork and demonstrates the maturity in Dahl's children's writing. It's truly a work that shows Dahl at the top of his game, at the pinnacle of his writing career, and sums up all that his children's writing has come to stand for. (Apparently he spent 20 years writing this book.) Although I could have done with less coverage of the Trunchbull's cruelty, this book is still an undisputed Dahl classic that deserves to be up there with *Charlie and the Chocolate Factory*, *Fantastic Mr. Fox* and *The BFG*.

- I love the book, *Matilda*, written by Roald Dahl. It's a very popular book that even adult enjoy reading it. Kids all over the states love it too. If you've never read one before, check it out from the library. You'll be amazed on how the book is. You'll want to share it with someone or even read it over again. I would rate this book absolutely FIVE stars, plus ONE extra star because it's the best book I've ever read. It shows meaning and feeling.
