We hope this article has inspired you to discover Teoria Del Cine, connect with fellow visitors, and create your own testimonials. Delighted reading!

REVIEW OF TEORIA DEL CINE

- As one of Perez-Reverte's earlier novels, the characters are not quite as well fleshed out as they

are in his later books. On it's own however, it is quite the entertaining read. The main character, Quart, comes across as a priest who doesn't think of himself as a priest so much as a 'soldier of the church' or a modern incarnation of a knight templar. As a result the reader experiences Quart's inner turmoil through his eyes as an unusual priest whose conscience seems to be lacking (or rather buried) so he can perform the 'dirtier' work of the church. Although not an inquisitor, he comes across more like a jaded detective focused only on his duty. Perez-Reverte's writing style is enchanting and draws you into the story creating rich visualizations of the church, it's parishoners, and it's custodians. Perhaps not as good as his later works, it still remains an intriguing story in which a careful eye can discern the emergence of a writer whose style is emerging and becoming more refined. A great read for anyone interested in church mysteries or a mystery set in modern Seville in Spain.

- Heart of a Jaguar is an excellent novel. You won't be able to put it down. It opens in a scene of high intensity, then slows down a bit. For the most part, Heart of a Jaguar has non-stop action, but is never so intense it prevents you from enjoying the book. Balam, the main character of the story, slays a jaguar at one point, and this is a very exiting part to read. The story goes into some detail of this, but not so much to gross the reader out. This book is a must-read for anyone at all interested in the Maya, and recommended reading for anyone else. It is fast-paced, exiting, and compelling. You should definitely read this book.
