REVIEW OF UNDEAD AND UNWARY 13 MARYJANICE DAVIDSON

- I love this book! My grandmother had it when I was a child, and I remembered the pictures. I am a Foster Parent, and have found that with some children this book is much loved and a good tool for learning manners. One in particular found these books by Munro Leaf to be favorite bedtime stories along with a review of the day. Sometimes it is good to be reminded of good old fashioned manners.

- Two boys, 5 & 7 can often forget the importance of manners. Being tired of preaching and threatening, I saw this

book and thought I'd try it. While they sipped hot chocolate, I read this to them. Neither of them said a word, but were paying complete attention! I couldn't believe it! I wasn't sure my kids would be able to enjoy and/or process this. They did, and I am very pleased with this book. Looking forward to buying all the other editions.
