So, if you're seeking an exciting read, True Path Of The Ninja The Definitive Translation Of The Shoninki An Authentic Ninja Training Manual is most definitely worth thinking about.

REVIEW OF TRUE PATH OF THE NINJA THE DEFINITIVE TRANSLATION OF THE SHONINKI AN AUTHENTIC NINJA TRAINING MANUAL

- I have been a fan of anything Henry VIII since I was a teenager and this book was a very satisfying read.

- The Great Albert Pike's literary tour de force; his magnum opus. Morals and Dogma is by no means, your typical Freemason's monitor. It is a Freemason's cardinal esoteric challenge--an erudite gauntlet for those who truly endeavor to be ambassadors of the institution. It is not something to be merely read; it's something to be lived! Its lessons are not intended to be fully comprehended by the intellect, but by the heart; the veritable object of Masonic instruction. (If you can stand it, read and devote deep contemplation to what Pike writes about Force and Intellect in the book.) And any Freemason with a heart will surely embrace the palpitant moral plasma the book's lessons will cause to course throughout his entire being.To pike's credit and literary genius, Morals and Dogma, ironically, often provokes a posture of deference in even non-masons (called the profane by Freemasons, for having never cast a shadow in a lodge). And as expected, it provokes a similarity in Freemasons because it is preceded by its reputation worldwide. So often do Freemason and profane alike obtain a copy of the book only to glean the first ten pages, maybe, and then rest it on the shelf to collect dust, or place it in the sitting room as a centerpiece, where it does the same. And they'll boast about their copy to audiences who don't really care (or know to) one way or another.This is not an easy read. In fact, it is a difficult one. Not for everybody.I'm not kidding, when I say that this book is a Freemason's convention in parchment, a marvelous aggregate of the world's finest teachers on pure morality in one tome. The "philosophies" of all the great classical masters from Hermes and Quetzalcoatl, to Buddha and Zoroaster, to Christ and Muhammad, etc., are eloquently canonized here. And I am of the firm opinion that Albert Pike intended this work to smudge the illusionary lines between the ancient system of moral philosophy and contemporary Freemasonic philosophy, and thereby, supplement the sacred mores he developed in his revision of the Scottish Rite ritual.Morals and Dogma is no mere book; it is a beast of books. And beasts must be conquered for heroes to emerge. Albert Pike was well versed in mythology, and he knew what he was doing

when he penned this one! To be sure, there won't be another; this is the one. And finally, a direct salute to the man: Not only was Albert Pike a physical giant in his day (standing nearly six-five and weighing over three hundred pounds), but more significantly, he was a literary and moral giant as well. And he is still a giant today, for after all; his work still towers above the rest.
