REVIEW OF AMERICAN ENGLISH FILE STARTER ANSWER KEY

- This presentation of Celtic Christianity is mean to ofer a neew way of being Church, but instead the
 thesis presents an overlay of Celtic spirituality as though it were change. Administrative, polity and
 governance issues are left without any adequate address. These are the structural and theological
 issues of import to the church. We need to address them if we're to arrive anywhere beyond the
 19th century re-run we are currently on in America. I do think this book has something to offer,
 however. It gives readers a good introduction to the ideas that church leaders need to articulate. It's
 worth buying to read and pass along.

- As gory as he normally is Mr. Little has moved away from his "normal" way of doing things with
 this book.Part horror,part crime story it blends well. Wish he had more like these up his sleeve, not
 saying that I like the others I've read less, but this is one of my favorites!
