### **REVIEW OF EDEXCEL MATHS PAST PAPER GRADE BOUNDARIES**

- This book was very eye opening! The author really explains how advertisers pull in their consumers, and why we always feel the need to buy stuff. This book also asks us: is the stuff we buy really what makes us happy? Is it helping our environment as well? This book really made me think about how wasteful I am,

and I recommend this book to anybody and everybody!!

- Bought 3 for grandkids for Christmas, to get them ready for a Family camping trip to Assateague Island in May.
