## REVIEW OF 2 0L MIVEC ENGINE 4B11

- 2nd Witch:By the pricking of my thumbs,Something wicked this way comes. [Knocking]Open locks,Whoever knocks![Enter Macbeth]Macbeth:How now, you secret, black, and midnight hags!What is't you do?The above quote from Shakespeare's Macbeth is whence this book takes its title, but it's the character Macbeth's quote immediately following the titular quote that seems to me more à propos to an attempt at reviewing the book; for Bradbury, despite the book's ending, is a full adept at exploring the secret, black and midnight thoughts of us all. The book's fault - in my eyes - is that it presents, in the end, a Manichean, Star Wars view of the world which just doesn't wash with me. Thankfully, throughout most of the book, Bradbury is more concerned with the dark carnival that comes into town upon a midnight wind one October and the dreamlike horrors it works upon the townspeople. This is where the magic in the prose lies.

It rather reminds me of Blake's remark about Milton, that he was a true poet and on the devil's side without knowing it. Be all this as it may, it's very difficult to tell the prospective reader what this book is about, because of its wild poetic exploration of the dark corners of the human soul. But I think it's best seen as a sort of warning: Beware of your dreams and imaginings - regardless of your age or situation - for therein unfathomable darkness lies beneath the gilt surface. This is best set forth by the doomed schoolmarm, Miss Foley, bewitched by the memories of her lost youth: "Best skate the thin ice, lightly. Paused, the weight of your attention might crack the shell. Plunged through the crust, you might drown in depths so cold, so remote, that all the Past lay carved in tombstone marbles there. Ice water would syringe your veins. Transfixed at the mirror sill, you would stand forever, unable to lift your gaze from the proofs of Time." And the doomed lightning-rod salesman, bewitched by the ideal of the perfect woman: "Once, as a boy, sneaking the cool grottos (sic) behind a motion picture theater screen, on his way to a free seat, he had glanced up and there towering and flooding the haunted dark seen a woman's face as he had never seen it since, of such size and beauty built of milk-bone and moon flesh as to freeze him there alone behind the stage, shadowed by the motion of her lips, the bird-wing flicker of her eyes, the snow-pale-death-shimmering illumination from her cheeks." In an odd way, Bradbury seems to be telling us to beware his own writing. But the obverse side of this coin, embodied in the person another reviewer has dubbed - quite rightly, I think - the "hero" of the novel, Mr. Holloway, expounding upon the notion of the "soul's energy" that these outlandish carnies seem to crave, maintains: "How do I know this? I observe. The carnival is like people, only more so. A man, a woman, rather than walk away from, or kill, each other, ride each other a lifetime, pulling hair, extracting fingernails, the pain of each to the other like a narcotic that makes existence worth the day." In other words, there's scarce relief to be found in any domestic bliss. The way out, the "good" way, seems to be laughter at the absurdity of it all. But, for this reader anyway, this - quite literally, towards the end - forced laughter is the scariest, most inhuman phenomenon of the lot! In the end, I'd rather have a wicked but all too human Macbeth than laughter at the meaninglessness of memory, imagination and human suffering. Perhaps, so would Bradbury's ghost.

- Something Wicked this way comes is written by Ray Bradbury. This book is all about a mystery. The mystery starts with this weird and creepy man. Jim and Will are the two main characters in the story. They are introduced to this shadowy man early in the book. This man puts a spell on the two boys. Many things are happening to the boys all through out the story. At certain parts of the book, they are chased by a storm. This storm continues to bring many bad things to the boys. There was a special day for Jim's dad; he could not wait until his son had come home. However, the surprise that he was expecting was not what Jim had brought to him. Jim and Will had been arrested by the police. They would not tell His father where they were. At that point, of the story, I thought to my self, "What could the father be thinking of his son?" At that point, I could only feel sorrow for how he felt. This story goes on to more details and to more problems to the two boys. The story ends in a surprising ending. For more details on the book, you have to get it and read it.
