## REVIEW OF PGDCA 1ST SEM MS ACCESS NOTES

- Thanks to ASVAB for Dummies I am now an official member of the US Army. I couldn't have passed the test without this book. I've tried taking the test before but failed and this time I made it and got in!
- I read this book in my freshman year of college. I loved it. It has many characters that flow together. The story has a magical realism to it. Characters die and come back to life, people live for years on end. It follows the lives of a family that deals with wars, tragic love, and mysterious dealings. I thoroughly enjoyed reading this book and I recommend it to anyone who wants to enter a magical world filled with vibrant characters taking on all sorts of political and social issues to heart and then bending them as far as they can go. Think Dali.
