#### **REVIEW OF WENDY KIRKLAND P3 SYSTEM**

- i think this is a good book and it should be read to all teenagers to say how serious it could be to make the wrong move or drinking and driving
- This under-appreciated work is slowly gaining the recognition it deserves from Woolf critics... but I would say that, since I wrote my dissertation on it! Woolf's fiction is never light reading, but Woolf lovers will here find a masterful synthesis of descriptive power, her exhaustive knowledge of English history and literature, her feminism, her passionate hatred of war and her conviction that only aesthetic experience can enable humanity to question the status quo and \*perhaps\* create a better world... interested readers might consider reading it alongside The Years, Three Guineas, Moments of Being, the last volumes of the diary, or such Woolf essays as "Thoughts on Peace During an Air Raid," as well as Shakespeare's Tempest. This slim novel speaks volumes; it is a work of mature genius by one of the 20th century's greatest writers.
