REVIEW OF WENDY KIRKLAND P3 SYSTEM

- The book A Connecticut Yankee in King Arthur's Court by Mark Twain is told from the view of Hank Morgan, later on known as The Boss. Hank Morgan travels back in time from the 19th century to the 5th century, in King Arthur's Court. Hank learns from a man dress in a knight's armor that it is the 5th century, he doesn't believe that he traveled back in time, he thinks he is in an asylum. Suddenly Hank remembers that the day that he was told also happened to be the same day of the first recorded full Solar Eclipse. Hank finds that he has wandering into a place where they are hanging innocent people. Hank has some fun and tells the people that he will put the world into total darkness very soon, he hopes that if it truly is the 5th century, the people will believe him. Sure enough the eclipse does happen, all the people are in awe. For the rest of the book Hank is then on known as The Boss. Throughout the whole story, Hank gives King Arthur tips about how to be more successful. Hank goes on a venturous journey with King Arthur and he helps the King train Knights and create a large army. Hank gets a seat at the round table even though he is not a knight. Hank uses his knowledge to reinvent things that were a new invention from his time. After King Arthur dies, Hank must help the empire live on. I recommend this to people who are 13 or older and enjoy long, very detailed books. There are also some great pictures included in the book, from portraits of Mark Twain to pictures of King Arthur pulling the sword from the stone.

- Product arrived as advertised - very good quality. Larger than previous Love Is books - Very Satisfied.
