REVIEW OF ANATOMY OF THE DOG 7TH EDITION

- I read this book in 7th grade and hated it. I didn't get any of what Golding was really trying to say, so I dismissed it as another boring book. Now that I've read it again, I loved it. This is a really frightening book if you understand the symbolism of the beast. It is scary because you'll then realize that anybody is capable of doing the same things that Jack and his tribe do.

- It is a classic. But why are American kids involved. in this version. It was supposed to involve stranded ENGLISH or

BRITISH kids? Well ,we version. But the the
presume it was a story is very
differently intended fascinating.
