## **REVIEW OF THE DIET CURE JULIA ROSS**

• I RECEIVED THE BOOK VERY PROMPTLY AND ALSO WAS IN VERY GOOD CONDITION. GREAT SERVICE

• Beautifully done overview of the greater works of Gilbert Stuart.....and the special section of George Washington portraits is astounding. I've not seen some of these portraits of Washington before. As Gilbert Stuart is one of my favorite artists, this book is a real treat for me. The text is clear and well written and follows Stuart's career from the vantage point of his international residences. Anyone who truly loves portraiture will thoroughly enjoy this fine Yale University production. I'm hopeful to be able to view the originals that this publication promotes of Stuart's work scheduled to be on view at the National Portrait Gallery in Washington in early '05. This one's a keeper.....I only wish it was a bit more complete, though it certainly makes a valiant effort to present a fine sampling of Stuart's greatest work.
