## **REVIEW OF SEGA MEGA DRIVE GENESIS**

### **COLLECTED WORKS**

- This is my first experience with an historical detective novel, and I hope to find more. I suspect history is written by the winners, and it takes a long time for the truth to come out. I had some background knowledge about Richard III before reading Daughter of Time, so I don't want to say anything that spoils this book. I did find the theory interesting and well-presented, since I had heard a convincing argument for another perpetrator (not Richard). The portrait of Richard III referenced in this book is easy to find on the internet, which is fun to have while you read.
