out testimonials can assist you make notified decisions concerning what to read following and can expose you to new authors and styles you could not have taken into consideration before.

### **REVIEW OF CAMBRIDGE YLE MOVER 8 ANSWERS BOOKLET**

- "Of Mice and Men" was written by John Steinbeck and is a fictional book. "Of Mice and Men" is a book about two life long friends named George and Lennie. They go to a farm to do some farm work after having to run away from their old town Weed. Lennie is a big guy who is retarded and likes to pet soft things like mice.

George is a short guy who is very smart and has stuck with Lennie for a while. In their new farm, they meet many people including Curley, a little boxer guy who hates big guys like Lennie, and Curley's wife, who is attractive to the other guys. Lennie and George have many grand adventures on the farm. I would rate this book a 4 because it was pretty fun to read, it was well written and it had a good plot but sometimes it got a little bit boring to read and hard to understand but for the most part it was good.

- Kind of a lazy book; the title suggests a comprehensive reference, but what you get is a whatchagot stew of arbitrary recipes &

once-in-a-while Indian Pudding & Johnny Cakes. The number of Recipes-to-number-of-pages ratio is quite low, & plenty/most recipes not especially "New England" -- just because a salad calls for boston lettuce does not make it a regional specialty. Pimm's Cup? Asparagus salad with lemon vinaigrette? grilled chicken sandwiches with russian dressing? pear and candied ginger clafouti? tomato & goat cheese salad? There's one clam chowder recipe & it is an abomination. Likewise her take on boiled dinner...a quarter cup of soy sauce? You have got to be kidding. Since when does Martha's Vineyard belong to Rhode Island? And is Connecticut actually part of New England?

All of CT? Anything geographical  
outside of an easy demarkation? There are  
commute to NYC? More other New England  
Yankees bumper cookbooks that are  
stickers than Sox as a much, much better.
