REVIEW OF ACTING THE PART PHOTOGRAPHY AS THEATRE

- It is a great book to read for many reasons. The writing is great. It is also a great study on human nature. It is the perfect example on why anarchy can not work. Human nature does not allow a society without hierachy to function. It all falls apart in the end. Also when one reads the book, one can also get a lot of pop culture references to the book like the conch, and piggy. The Simpsons has a funny rendition of the novel as well. The part about where the title is explained is trippy as all hell. Great book. I recommend this to anybody that has not read this book already.

- Omg!!! This book was the best I ever read. It can get you to understand how things can be when you dont have any adult around.This book has a lot of details,and it also has a little of irony.Then it can also relate to many people, like when a person is getting picked on by his name,when people want to fight over being a chief, and when people think they are better then the other kids. But overall i really did enjoy this book.
