REVIEW OF SPRINGBOARD ENGLISH LEVEL 2 ANSWERS

- This is the worst book in this series. It is filled with boring needless descriptions. Either one of two things happened:1. W.E.B.'s son wrote it and he doesn't know how to punch it out, or,2. W.E.B. himself felt pressured to get out the book and just filled pages with trivia.
- I was mightily disappointed in this latest book, purported to be written by my favorite author. Where did he go? The plot was improbable, disjointed. The characters were forgettable. The theme, Our Patriotic Mobsters And How They Helped Us Win The War, is only of mild interest. I should have known that something was wrong when I looked at the author's pictures: a pair of unhappy collaborators if I ever saw one! I hate looking for another author! Come back! Please!
